

A. Yes, that is true. They can see us on earth when we pray for them. We have to pray for them. Our Lady said our prayers can save them, and they can go to Heaven.

Q. Are the souls in Purgatory able to pray for us?

A. Our Lady did not say anything about that. She said we have to pray for them because they have terrible suffering. They can not pray for themselves. They are quite helpless and depend on our prayers to be freed from their suffering.

Q. Vicka, tell us about Heaven.

A. Heaven is a big, big space without borders. It is a vast space, and it is a life which we do not live here on earth. We saw people dressed in gray, rose and yellow robes. They were walking, praying, singing. Above them, small angels were flying. Our Lady showed us how happy these people are that they are in Heaven. You could see it on their faces. I cannot describe Heaven and the people in Heaven with mere words. It is impossible to describe the great happiness of Heaven with words.

Q. Vicka, we heard that the Blessed Mother has given you her life story.

A. I have written three books. Our Lady has given me the material which is in these books. If she allows me to publish the work, the title is *Life*.

Q. Three volumes called *Life*. Can you say anything more concerning these three volumes about Our Lady's life?

A. Nothing until Our Lady tells me.

Q. There is a four volume private revelation by Mary of Agreda, called, *Mystical City of God*. The Church has approved this four-volume treatise as a private revelation. Do you know anything about it?

A. Yes. I do. Our Lady has told me that it is an authentic version of her life.

Q. Are there any other books which Our Lady has told you about?

A. Yes. *The Poem of the Man God* by Maria Valtorta, ten volumes — Our Lady says that *Poem of the Man God* is the truth.

Q. How blessed we are to know that, Vicka.

A. Yes. Our Lady said if a person wants to know Jesus he should read *Poem of the Man God* by Maria Valtorta. That book is the truth.

Q. Vicka, do you feel you are doing enough for God?

A. Every day, I try to do more and more.

Q. Vicka, does Our Lady speak to you about family life?

A. Yes. It is very important that families pray together — especially the rosary.

Q. Did the Blessed Mother say that?

A. Yes.

Q. Why is praying the rosary as a family something she wants so much?

Q. Because Our Lady insists that fasting and praying and especially the rosary, can even stop wars.

Q. Vicka, you have had suffering. Not only has the Blessed Mother asked you to do without her presence from time to time as a penance, but you have had physical illness also. Could you explain what Our Lady has taught you about suffering?

A. I won't say much about suffering. It is given by God. When God gives sickness or some other form of suffering, it is very important to accept the suffering with love, because it is out of the great love of God that this particular suffering comes to you. If you believe in God, you know that God knows why He gives to each person each suffering. This has happened to me. I do not see my suffering as a punishment from God. I see it as a gift of love. I know it will bring joy. Its fruits are joy, not suffering. So I really do not suffer. If you take it with love, you do not suffer.

Q. Vicka, what about young people, especially those harmed by drugs or alcohol?

A. Drugs and alcohol are a big evil on this earth. We have to help those people with our prayers. We have to tell them they are on the wrong path, but they have to see it themselves. Their cooperation is necessary to get on the right path. They have to give these things up.

Q. They have to see that they are on the wrong path and give up the drugs and alcohol?

A. Yes. We have to help them by our prayers and by telling them of the evil of the drugs and alcohol.

Q. We have to pray for them — the prayers are not so difficult. We have to tell them — that's the hard part. They do not want to hear about the evils of drugs and alcohol.

A. I know it is hard. Many people do bad things. It is easy to do bad things. That is why it is not easy to take God's Will. It is nice, and easier to do bad things. Through these things, we can see how Satan is strong, and we are weak.

Q. Do you think drugs and alcohol come from Satan?

A. Yes, of course.

Q. Are many souls lost because of drugs and alcohol?

A. Yes. Especially today.

Q. Tell us about Satan. What do you know about Satan?

A. One of the visionaries saw a young man. He was very good looking to her. But he wanted her to do things contrary to what Our Lady wanted her to do. She looked into his eyes, and his eyes were spinning around. She became very scared. Something was terribly wrong. She fled. Then she had an apparition. Our Lady came and told her that person was Satan. Our Lady said Satan does not always come as an evil-looking person, so that we can recognize him. Sometimes, he comes as a very decent person, so to deceive us, or attract us, so we cannot see that it is Satan. He is very

strong right now.

Q. So Satan can come in any form — such as a very attractive, but seductive man or woman, or a "successful person" with a "deal" that could tempt you to cheat, or the like?

A. Of course! Certainly! He is offering everything just to get you in his grasp!

Q. What steps can we take to make sure we do not fall prey to the devil? How do we live?

A. (With great emphasis and emotion) Every day, we have to **pray for help**. We have to take precautions and pray the Rosary every day, because Satan is trying every day to get us for himself. We don't have to do special things — but we must **pray every day to keep him far away from us!** Also, we need to have something blessed on our person. For example, a Cross. We need to wear something that has been blessed on our person.

Q. We have to wear a blessed object on our bodies?

A. Yes.

Q. This is for everybody in the world?

A. Yes.

Q. It has to be on our person — not in our wallets or purse?

A. Yes.

Q. Did the Blessed Mother tell you that?

A. Yes.

Q. You're teaching so many people. Vicka, thank you. Will you pray for all of us?

A. Yes.
